**Note on Program Duration: Wrapture Beauty Academy's diploma programs range from 4 to 10 months in length. Students who enrolled during 2025 but whose contract end dates fall in 2026 have not yet completed their programs and are therefore not reflected in the "Diplomas Issued" column for this reporting year. These students' graduation outcomes will be reported in the 2026 Annual Performance Report. This is consistent with the nature of longer-duration vocational programs and does not indicate withdrawal or non-completion.*

***Employment outcome data is collected from graduates. Numbers represent graduates confirmed as employed in their field of training. Graduates excluded from the total number of graduates each quarter include those who: 1) did not respond to contact attempts or self-report their status, 2) reported an intentional career change, 3) reported that they are not currently in the labour market for medical reasons or by personal choice (e.g. parental leave, attending school full-time, etc.).*
